OUR EVENT

We're thrilled to continue the **Spieth & Friends** tradition of a large-scale celebration and fundraiser. Taking over **Topgolf** in The Colony, this is an intimate setting to enjoy golf, entertainment, and giving back. Spieth & Friends blends the excitement of live music, golf competition, and the power of community impact. We hope you'll join us either for another round of fun or for the first time!

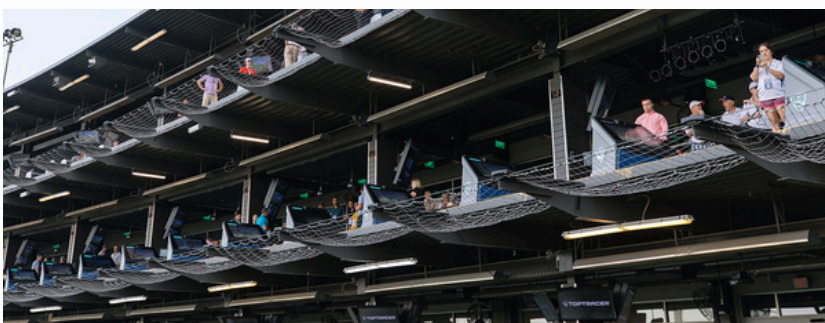

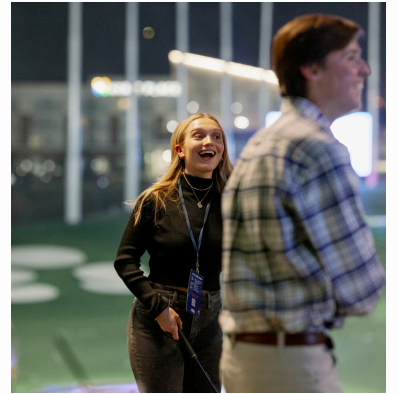

OUR MISSION

The Jordan Spieth Family Foundation is an outlet for the Spieth family to grow awareness and offer financial support to four special mission pillars. In our 11th year, the JSFF is proud to have granted over **\$10M** to community partners around the country working within these pillars near and dear to our hearts.
